4-H MOTTO

Learn to Do by Doing

ABOUT 4-H

4-H is an international youth organization involving more than seven million members in 80 countries around the world.

4-H in Canada began in Roland, Manitoba in 1913 as a Boys & Girls club – a community-based organization dedicated to rural youth.

In 1952 the name was changed to 4-H. Today 4-H reaches farm, rural and urban youth, focusing on leadership, personal and skill development including citizenship, responsibility and independence.

PURPOSE OF MANITOBA 4-H COUNCIL

Formed in 1951, the Manitoba 4-H Council coordinates 4-H programming throughout the province and provides participation in the policy-making process. Through a representative structure, the issues, needs and concerns of members, leaders and staff are assessed when decisions are made about 4-H programs in Manitoba. The council administers specific provincial programs and manages funds solicited through 4-H club donations and sponsorship. The Council works closely with its partner, Manitoba Agriculture, Food and Rural Initiatives, in the development of individuals building rural communities.

The Manitoba 4-H Council operating procedures are based on its Constitution.

MISSION

To develop capable and innovative community leaders through programs that stimulate thought, initiative and leadership.

VISION

4-H: A vibrant program blending tradition and innovation for a quality experience.

The Manitoba 4-H Council is supported by funds (cash and in kind) from many sources:

- Membership fees basically cover Insurance, member and leader travel opportunities, printing of The Banner and annual report, maintaining the Website, and the annual audit, and pro-rated donations to Council partners (the Roland 4-H Museum, the 4-H Manitoba Endowment Fund Foundation and the Manitoba 4-H Ambassadors).
- Program participation fees or event registrations contribute a small portion of the costs of 4-H Council activities.
- Companies, organizations, governments and individuals all sponsor events like the National 4-H Skills & Thrills, the Provincial 4-H Leaders Conference, Provincial 4-H StockFest and the Provincial Communications Extravaganza.
- The Canadian 4-H Council arranges funds from some national sponsors for provincial support.
- Manitoba Agriculture, Food and Rural Initiatives (MAFRI) support the 4-H Council Board, its activities and events with cash. As well, MAFRI contributes staff time in Brandon and its area council offices and operational support to the Brandon office including office space and facilities (like copier, fax, phone and postage).

PRESIDENT'S YEAR IN REVIEW

What an amazing 100th Anniversary year it has been! We have tried to provide many different opportunities to our Board, leaders, and members throughout the centennial and many local celebrations also helped reconnect alumni with current and future 4-H'ers. Calendars of historical pictures were provided to every 4-H family.

As a Board, we attended many of the 100th Anniversary events and celebrations around the province and each Executive Board members was provided with a shirt to wear to these occasions. Ag Days, the Royal Manitoba Winter Fair, local fairs, and graduation ceremonies were all attended. Chaperone opportunities were abundant and development opportunities, such as attending the Ontario Conference and Annual General Meeting, were also available. We offered our Board the chance for fine dining at the 100th Anniversary Gala. We also decided to create a promotional video for host families for the Japan homestay program using donations from the York-Benimaru Foundation and Mr. Ohtaka. Katie Hunter replaced Michael Melnychuk as the Youth Advisory Committee representative for the National AGM in May. The National Office has had almost 100% staff turnover, causing several issues with communication throughout the year.

Advertising was increased to highlight the 100th year of 4-H and to encourage new members to join. Leanne, Dawn and Carrie, along with Tammy Oswick-Kearney from the National office, joined Bill Turner for a Feedback session. Provincially, we set up advertising in the Western Producer and through CKDM. Local articles appeared in many small newspapers as well. We continued to experience growth through our social media platforms of Twitter and Facebook. We realized that our provincial website is in need of a complete overhaul and are researching the best route for this.

Our Board approved the hiring of a part-time employee for a one-year term contract to help with the 100th Anniversary requirements. We worked with David Hartley on a risk management review. Although progress was made, this process is not complete and will continue into the next year. One of David's suggestions was to put more of the focus on the Executive Board rather than the Executive Committee. To this end, we implemented monthly Executive Board conference calls. We donated door prizes/auction items to several conferences, including Dairy Farmers of Manitoba, Manitoba Conservation Districts' Association and the Manitoba Farm Women's Conference.

All past and present 4-H leaders were inducted into the Manitoba Agricultural Hall of Fame this past summer and Arline Davey of Westbourne and Brenda Dyck of Woodmore were presented with Queen Elizabeth II Diamond Jubilee Medals. Several long-standing 4-H leaders were also recognized at the 4-H Day at the Legislature.

Member opportunities included expanded scholarships and travel to Japan, Citizenship Seminar, National Members Conference, the Youth Ag Summit, People Developing People Conference, Agribition Judging, and around the world through the Garfield Weston and Agriventure Scholarships. Fun Fest encouraged more multi-purpose projects and included extra clinics and fun activities for the 65 members who participated. We encouraged our members to take part in the Shout Out For Ag Competition where some of them were financially rewarded. Communications winners were also awarded the opportunity to speak at the Women's Institute AGM. Tickets for events like the Royal Winter Fair and the Wheat Kings 4-H Night were given at discounted prices or for free.

EXECUTIVE DIRECTOR'S REPORT

The 2012-13 4-H year in Manitoba was marked by a series of historical events and activities to celebrate the Centennial Anniversary of the 4-H program in Canada. With Canadian origins in the small town of Roland, the province of Manitoba was host to both national and provincial celebratory events in honour of the milestone. In order to address the significant increase in 4-H initiatives occurring in 2013 an additional part-time staff person was hired in the Council office. Ms. Sherry Torchinsky began her contract with the Manitoba 4-H Council in February.

While the 4-H program received special recognition at numerous external events throughout the year, the initiatives undertaken by the 4-H program were certainly the most noteworthy. Highlights of the 100th Anniversary year include:

- A commemorative calendar featuring the history of the program
- 4-H Day at the Manitoba Legislature
- National Centennial Gala celebration
- 4-H Night at the Museum celebration in Roland
- Roland 4-H Museum being officially declared the National 4-H Museum
- McConnell 4-H Club officially being declared the longest consecutive-running Club in Canadian 4-H history, still active in 2013
- Canada Post commemorative envelope
- Official centennial recognition by the Manitoba Historical Society
- Induction of 4-H Leaders into the Manitoba Agricultural Hall of Fame

Due to the nature and extent of the celebratory events held throughout the year 4-H Manitoba received a significant increase in media exposure, raising the profile of the program across the entire province.

In keeping with the Embrace the Future initiative for the 4-H program, as we looked at what lay ahead beyond the 100th Anniversary, significant effort was made to expand the 4-H program for our new Cloverbud (6-8 years) and Adult (18-25 years) membership categories. Parts of this strategy included ongoing efforts to develop the 4-H program

in Aboriginal communities and on post-secondary campuses. As part of ongoing commitment to the integrity of our program, and the protection of our members and leaders, Council also undertook a major review and modernization of our Risk Management portfolio, under the guidance of a professional consulting firm. The year 2013 also saw the return of Manitoba members' travel to Japan through the York-Benimaru exchange program. As a result of the earthquake and infrastructure damage in the Fukushima Prefecture, travel to Japan had been suspended for two years. Manitoba also had the distinction of sending four members to the inaugural Youth Ag Summit in Calgary, held in August. The international conference, co-coordinated by 4-H Canada, hosted 118 youth from 20 countries to address the challenges in feeding a population of nine billion people by the year 2050.

COMMITTEE REPORTS TO THE 2013 ANNUAL GENERAL MEETING

1. EXECUTIVE COMMITTEE REPORT

It has been a busy 2012-2013 year. As 4-H celebrated its 100th Anniversary, everyone made it a special year with a multitude of celebrations and special twists on existing events. 4-H in Manitoba is alive and well as everyone showed their pride in 100 years of accomplishments.

The following special events were held to commemorate the 100th Anniversary:

- 4-H Day at the Legislature
- 100th Anniversary Manitoba Social
- 100th Anniversary Gala
- 4-H Night at the Museum—Creation of 100th Anniversary display with items from each 4-H province in Canada
- Rededication of the Cairn
- 100 for 100 Years Food Bank Initiative

These annual events featured a 100th Anniversary theme:

- 2013 Provincial Communications Extravaganza
- Canadian 4-H Council AGM
- Fun Fest
- Japan Homestay Program—Special visit from Mr. Ohtaka

In addition, 4-H Manitoba Leaders received the great honor of being inducted into the Manitoba Agricultural Hall of Fame.

Manitoba 4-H Council was also excited to host a Leaders Conference this year. The theme was “100 Strong for 100 Years.”

2. 100TH ANNIVERSARY

What an amazing 100th Anniversary year it has been! Our leaders and members had many exciting opportunities to celebrate this great 4-H milestone throughout the province.

Beginning with Ag Days in January, 4-H was featured and honoured at many local fairs and events. The MacDon Centennial Windrower was a popular part of displays throughout the province including the Royal Manitoba Winter Fair, FunFest, and the Boissevain Rally.

May brought 4-H representatives from across Canada to Manitoba to celebrate in conjunction with 4-H Canada’s AGM. A long weekend of festivities included a Manitoba Social, a gala banquet, and 4-H Night at the Museum in Roland, the home of 4-H in Canada. Many alumni and current 4-Hers were joined by Premier Greg Selinger who toured the 4-H Museum and participated in the ceremonies. That weekend, the McConnell Beef Club was also acknowledged as the oldest continually running 4-H club in Canada during a ceremony with the unveiling of a commemorative cairn.

4-H Leaders in Manitoba were honoured for their vital contribution to the 4-H program. They were inducted into the Manitoba Agricultural Hall of Fame, and many long-standing 4-H leaders were recognized at 4-H Day at the Legislature. 4-H Manitoba was also recognized by the Manitoba Historical Society as a centennial organization at their AGM in June.

A national initiative that continued throughout the year was a food collections drive. Manitoba clubs collected 1755 pounds of food and \$2127 which were donated to local food banks. Thanks to all the clubs who contributed to making this initiative a success.

2013 served as a great opportunity to look back on the accomplishments of 100 years of 4-H. In 2014, let’s look forward as the next generation of 4-Hers step up and continue to “Learn to Do by Doing.” Here’s to the next hundred years!

3. 4-H MEMBER & LEADER OPPORTUNITIES

A) Leader Training

A series of training opportunities, were available to 4-H leaders in the 2012-13 year.

The webinar, "Need to Know Before You Go: A Guide for A Great 4-H Year" was presented in October, 2012. Rural Leadership Specialists Lavonne Kroeker and Meghan Rose delivered information on the 4-H organization as a whole, tips for club and project leaders, and updates for the 2012-13 4-H year. The webinar was presented live and was recorded for leaders to access at a later date.

January, 2013 - staff from the Manitoba Council for International Co-operation delivered a live webinar on the topic of motivating youth. The presentation focused on 4 steps that can be taken to motivate 4-H members. This webinar was also recorded for viewing at a later date. Participation in the live webinars was lower than anticipated. We continue to strive to find ways to reach leaders in appropriate and convenient ways.

4-H Manitoba and MAFRI partnered with the Manitoba Farm Women's Conference, to present speaker, Mark Essay at the November 18-20, 2012 conference in Winnipeg. Mark's presentation focused on strategies to engage youth. In addition, Rural Leadership Specialists, Joanne Baker and Meghan Sprung co-delivered a presentation on working in multi-generational environments. 4-H leaders attending the conference were eligible for funding to cover the cost of registration. The conference banquet also featured a 4-H theme, in recognition of the 100th Anniversary of 4-H in 2013.

4-H Canada presented a series of webinars, focusing on risk management topics relevant to 4-H clubs. Promoted as Training Tuesdays, the series of twelve webinars were offered on Tuesday evenings from October through January. 4-H leaders, parents and volunteers were invited to individually register for each webinar which was recorded for viewing at a later date.

Rural Ontario Institute presented a series of six webinars on the topic of leadership, featuring a variety of speakers. MAFRI 4-H Liaisons hosted these webinars at MAFRI offices in each of the 4-H areas, making them available to 4-H leaders.

B) Member & Leader Travel Opportunities

This year 4-H Manitoba members travelled to the National Members Conference (Montreal), the US National Conference (Washington, DC), the National Citizenship Seminar (Ottawa), and the Alberta 4-H Intermediate PDP Plus Conference (Edmonton). Jenna Moffat from Manitou Beef & Variety, Pembina, was selected as Manitoba's applicant for the International Agriventre travel competition.

4. YBF JAPAN HOMESTAY

[York-Benimaru Foundation (YBF) / Manitoba 4-H Council (M4HC) / Manitoba Agriculture, Food and Rural Initiatives (MAFRI)]

MAFRI/YBF/M4HC Home Stay Program has been in existence in Manitoba since 1987. The Home Stay Program was initiated in Manitoba, in part as a result of agri-business contacts that MAFRI established with Z. Kuroda Co., Ltd. in Japan.

The program fosters a connection between the two cultures, improves knowledge and cooperation and allows a greater understanding about the agricultural industry in Manitoba and Japan. A further objective is to develop stronger business ties between Manitoba agri-business and the Japanese market.

In the 27 year history of the program, 633 Japanese students and their chaperones have been hosted in Manitoba 4-H families' homes. 185 Manitoba members and chaperones have travelled to Japan.

MAFRI, in partnership with M4HC plans and delivers the Manitoba Home Stay Program and selection/

orientation of 4-H members who travel to Japan. Both organizations provide a chaperone during the travel to Japan, sponsor the program through financial support and staff commitment and host the executive of the YBF, providing networking opportunities to further trade and partnerships between Manitoba and Japan.

The Manitoba delegation of 10 students and two chaperones travelled to Fukushima Prefecture, Japan, from July 6 – 22, 2013.

The Japanese delegation of 20 students and two chaperones arrived in Winnipeg, Manitoba on July 31, 2013 along with Mr. Zenko Ohtaka, Chairman of the York Benimaru Foundation and Mr. Aiichiro Ohtaka, Trustee of the York Benimaru Foundation. The 2013 Executive visit had a special focus celebrating the 100th Anniversary of 4-H in Canada. The annual YBF Thank You Party hosted by Mr. Zenko Ohtaka included Manitoba sponsors; Dairy Farmers of Manitoba, Manitoba Canola Growers Association, Loblaw's Canada and Manitoba Trade and Investment; and all past Manitoba chaperones (15 out of 17 were in attendance). Lisa Bartley, former 4-H member from Roland and descendant of a founding 4-H club member gave a presentation about the impact that 4-H has had on herself and her family. The Jochum family, a four-generation 4-H family who hosted and had a member travel this year, provided musical entertainment for the evening.

At this time, Mr. Zenko Ohtaka made two presentations to Manitoba 4-H Council in honour of the 100th Anniversary in the amount of \$10,000 from the York Benimaru Foundation and \$10,000 from himself personally.

Another special feature of the 2013 program was a visit to the Lieutenant Governor's House where Their Honours the Lieutenant Governor and Mrs. Lee hosted the Japanese students, chaperones and Executive members as well as the 2013 Manitoba host families. It was a great honour and opportunity to experience this visit. Other activities for the Japanese students and chaperones included a tour of the Canola Learning Centre at Kelburne Farms south of Winnipeg, a tour of the Forks, supper and games at Fenez Follies Farms and a tour of the Manitoba Legislature hosted by Minister Ron Kostyshyn.

The Welcome Party was held on August 2nd in Domain at the Domain Community Centre where the host families met their students. The students and chaperones were hosted by 27 Manitoba 4-H families from 24 communities from August 3-16, 2013.

The Sayonara Party was held August 16th at the PortagEx Exhibition Building in Portage la Prairie.

A short video has been developed to promote host family recruitment. Filming took place during the Homestay featuring three host families and their Japanese students. The video will be available through the M4HC website and used to recruit more families to participate in this exciting program.

Participating Manitoba ranchers offer young stock for 4-H members to inspect, select, purchase, raise and train. Members (minimum 14 years) apply to participate in the project and are selected by the YHDP Advisory Committee (representatives from MAFRI, NAERIC and a 4-H Leader). This two-year project requires 4-H members to set goals, take responsibility and apply their new knowledge. Six members were enrolled in the second year (attending the Under Saddle Presentation) and five members were working with foals to prepare for a Yearling Presentation.

7. PROVINCIAL COMMUNICATIONS

On Saturday, April 13th, 2013 at the Canad Inns Portage La Prairie, Manitoba, 92 4-H members participated in the Provincial 4-H Communications Extravaganza. These members had risen to the top through a series of competitions from club level to regional levels across the province. This year the event was sponsored by Agrium, Co-op Hail Insurance, Farm Credit Canada (FCC), Manitoba Agriculture, Food and Rural Initiatives (MAFRI), Manitoba 4-H Endowment Fund Foundation and Monsanto Canada Inc.

The following competition categories, Junior & Adult Speeches, Senior & Adult One Person Visuals and Intermediate & Senior Two Person Visuals ran from 10:00am to 11:30 and the Intermediate & Senior Speeches, Junior and Intermediate One Person Visuals and Junior Two Person Visuals ran from 1:30 to 3:30pm with the assistance of judges, timekeepers, room chairpersons and committee volunteers. REPRESENTATIVE REPORTS TO THE 2013 ANNUAL GENERAL MEETING

1. CANADIAN 4-H COUNCIL

The Canadian 4-H Council has been busy at work for the 100th Anniversary year. Here are some points that were discussed at the AGM in May in Winnipeg.

- The Canadian Council has changed its fiscal year from April 1st to March 31st.
- The 2014 Citizenship Seminar will be in PEI April 11-15.
- The bylaws are in the process of being reviewed to be compliant with the Not-for-profit Corporations Act
 - * Deadline is October 2013.
 - * As we are incorporated under the old bylaws we are ex officio members—We need to make changes as we are unable to have those under the new bylaws.
 - * Election guidelines need to be revamped.

4-H Canada has taken on some ambitious initiatives this past year. They are as follows:

- A national food drive that will see 4-H Members and Clubs across Canada collect food and cash donations for local food banks with the objective of setting a record for the most food collected by an organization in one year.
- A centennial gala evening to be held in May in Winnipeg to give a nod to the importance of food production, sustainability, and the role of youth as future agriculture leaders.
- A campaign called “\$100 for 100 Years” that will give past and present 4-H members, their families and clubs an opportunity to donate to a legacy fund for future programming.
- A Canada Post-issued commemorative envelope marking the 4-H centennial.
- A video competition called Shout Out for Ag to give 4-Hers the opportunity to create a 30-

second video expressing a positive message about agriculture.

- A national public speaking contest for provincial winners who will compete for prize money for their clubs.
- A living history website to showcase and celebrate the past and present of 4-H Canada.
- A global 4-H Youth Ag Summit to be held in Calgary in August 2013 that will bring together 120 delegates from more than 20 countries to discuss how to overcome the challenges of “Feeding a Hungry Planet.”

Manitoba was very proud to host the Canadian 4-H Council 2013 AGM in Winnipeg. All attendees had the opportunity to participate in a Manitoba Social, 100th Anniversary Gala & 4-H Night at the Museum. A representative from each province brought an item for a special 100th Anniversary display case that will be housed in the 4-H Museum in Roland, MB. A special proclamation was made that the Roland Museum will be the official 4-H Museum in Canada. The 4-H Canada office has seen a lot of change in the past year. The hiring of a new CEO, Shannon Benner, has brought on several changes and expansion of staff within the 4-H office.

2. 4-H MANITOBA AMBASSADORS

We started off the 2012-2013 year with 9 members. We met for Retreat in Riding Mountain National Park at Wasagaming on the weekend of September 22nd-23rd, 2012. We had our AGM on Saturday, September 22nd, 2012 where we elected our new executive for the year. Meghan Elliot moved from President-Elect position into the position of President, Kiah Helgason-Stoyanowski was named President-Elect, Kaitlyn Sylvester was named Secretary, Robert Yusishen was named Treasurer, and Tara Graham was named

Record's Keeper. In October 2012, Robert Yusishen stepped down from the Treasurer position because of surgery on his wrist. At our November 25th meeting we elected a new Treasurer, Kayla Kynoch. Also in November, we gained a returning member because of changing the ages you are eligible to be an Ambassador. We had a great year with lots of requests from various clubs across the province and hosted a successful City Survival Weekend for senior members in February 2013.

NORTH INTERLAKE

Through the last year the North Interlake Council has worked to create a positive experience for its members. We had a well-attended event at Oak Hammock Marsh for intermediate and junior members. About 35 people

attended the event and we are planning a similar event this year as everyone had a great time. Our beef achievement was really well attended and was seen as a positive experience.

NORTH PARKLAND

The North Parkland Area 4-H Council had 16 clubs in 2012-13, with 190 members and 92 leaders. The council has continued its close working relationship with the agricultural societies in the area. The council met six times during the year - offering the option of joining by conference call at each meeting. The final meeting in June was a supper meeting.

Activities included a curling bonspiel in February. Council sponsored six 4-H members to attend a camp of their choice (once in their 4-H career, 50% of fees to maximum of \$100).

Members throughout the area participated in the 4-H communication program at various levels. This event was sponsored in part through interclub grants and excellent sponsor support. The area competition was held in March at Parkland Crossing in Dauphin. Congratulations to these North Parkland members for their accomplishments at the provincial communications extravaganza:

- Gina Musgrave & Remy Buchanan of McCreary Busy Hands 4-H Club—Junior 2 Person Visuals—1st
- Hallie Scott of McCreary Busy Hands 4-H Club—Junior Speeches—2nd; and
- Morgan Sametz of Ochre River 4-H Club—Junior 1 Person Visual—2nd.

Two beef shows were held in June – one in Roblin and one in Dauphin. A beef clinic was held in the spring. A beef information day/fundraiser for the public was held in Dauphin in late August in cooperation with several local businesses. An inter-area open 4-H horse show was held at the end of August in Gilbert Plains, as well as an equine clinic in May.

The council continued to present grad gifts to eligible members as well as four gold watches:

- Dauphin—Ethelbert zone—Kaitlyn Kotyk, Grandview Variety
- Ste. Rose zone—Mark Moffatt, Rorketon 4-H Variety
- Awards at large—Taneisha Dumas, Rorketon 4-H Variety and Courtney Smith, Rorketon 4-H Variety.

- Taylor Sul – Alonsa Go Getters 4-H Club
- Raina Syrnyk – Mountview Beef & Draft 4-H Club).

Rally was held during the Dauphin fair in June with the theme of “4-H—Where We’ve Been and Where We’re Going”. The parade was held in conjunction with the Kinsmen parade. The 4-H displays included memorabilia from the clubs as well as a historic scrapbook completion. A group lunch and photo including 4-H alumni were part of the program.

PEMBINA

Pembina Area had 13 clubs and held the following events:

- October—two information evenings (first-time event)
- January—Carcass evaluation event for beef (first-time event)
- February—SWAMP camp (8 to 11) at Winkler Bible Camp (shared with Red River Area Council)

- June 14—Livestock judging event in Manitou

CRAZY camp (12 to 14) was postponed due to plans for a provincial intermediate camp.

Awards Committee – After receipt of applications and interview process for outstanding member award we presented both a watch and a bursary of \$250 to Jayden Buchanan & Jessica Raine.

RED RIVER

Since our last meeting, our Council had been busy with the 100th Anniversary 4-H Night in the Country in Roland and Funfest, as well as planning for our next year. The Night in the Country went really well and we had amazing participation considering the weather. A big thanks to everyone who was involved. The evening was well hosted and even ended with a BANG! from the fireworks that were set off. One member from our area (Madison Enns) attended the Co-Op Youth Leadership Conference one weekend in May. We had Funfest in July which turned out well although it was unfortunate that we did not have enough participation from our multipurpose clubs to put on an Amazing Race and

other activities. The winners of our Gold Watch awards this past year were Ruth Enns and Dana Foxton who won the Bursary. As well, Fiona Jochum won the BayerCrop Science Scholarship and Tavia McKinnon received a Manitoba 4-H Council scholarship.

SOUTH PARKLAND

For the 2012-2013 year South Parkland Area was made up of 28 clubs with 347 members and 146 leaders. Our activities began in late fall with an event called PS2, that included public speaking, swimming and pizza. This event was held on 2 different dates in 2 different locations – The YMCA in Brandon and The Russell Inn, and both were well attended.

A full bus load of members and chaperones headed to Winnipeg in February and had a fun time sleeping over at the Aviation Museum.

Members were given the opportunity to learn new skills when 2 archery events were held in Russell and Strathclair. There were prizes all around at our 2 bonspiels in Rosburn and Kenton.

Our year ended with our South Parkland Area Fun Day in Rapid City where there was a choice of participating in a cattle clinic, an equine clinic or a ceramic workshop for the morning. Frisco Fox put in an appearance at lunch time, and then we had a judging workshop, an amazing race, a 100 year quiz, interviews for bursaries and Gold Watch awards followed by a supper for 100 members, friends and family.

Gold Watch Award Winners were Cassidy Ross, Lisa Rystephanuk and Alison Greaves. Entrance Bursary Winners were Laura Horner, Katie Hunter and Robyn Gerrard.

SOUTHWEST

The 2013 year started off with the excitement of the 100th anniversary happening in 2013. Reorganizational meetings were held with 32 Clubs in our area.

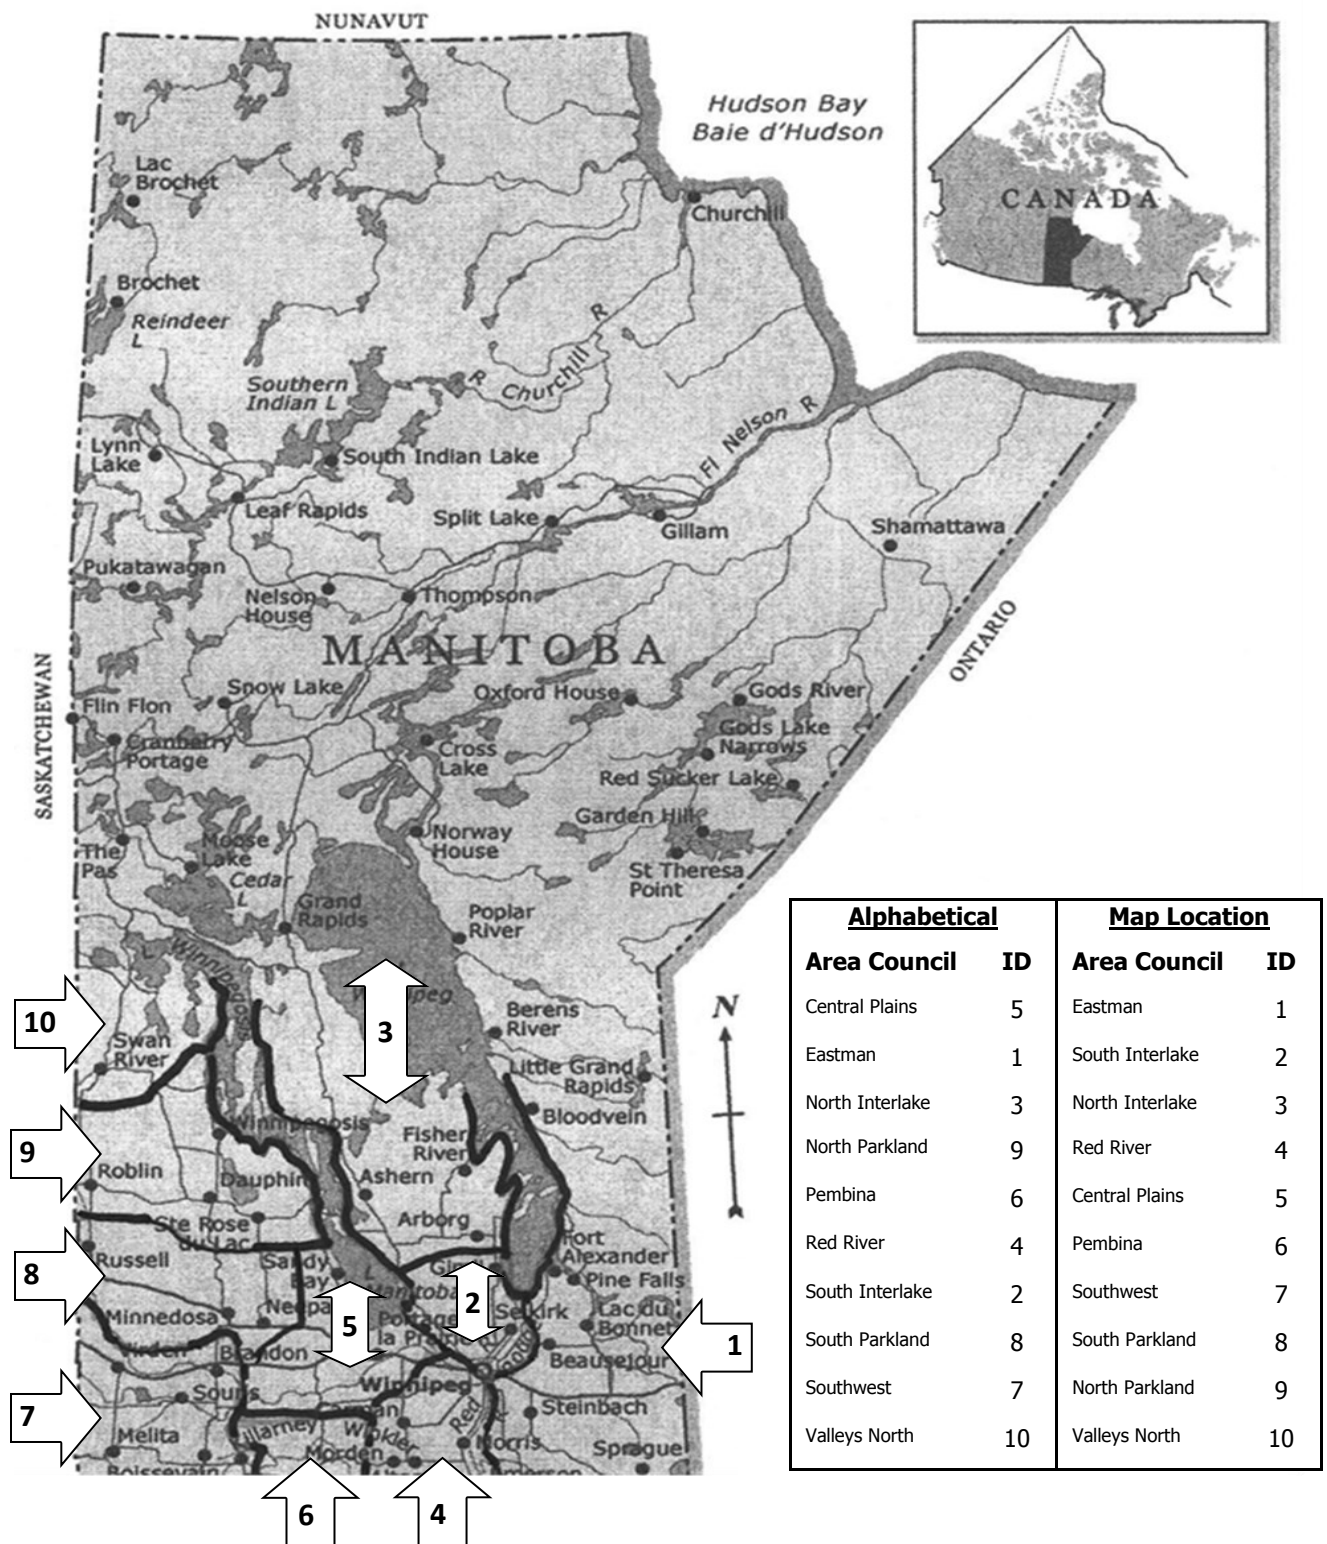

Southwest held their annual area sleepover event in Brandon at the YMCA, with several members attending.

Rallies were held with everyone doing something extra to celebrate 100 years of 4-H. Boissevain had invited extra clubs to come down and participate, or just come out for the day and help them to celebrate. All responses were positive and members really had a good time as it was a very fun-filled day, with lots of learning.

Gold watch award winners for 2013 Melita Rally were: Hayley Thomas from Hartney Home Ec. Club and Kate Bambridge from Coulter Western Trail Riders. Mellisa Hunt from Hartney Home Ec. won the General Proficiency award.

At the Virden Rally, Isabelle Lewis from Archie Light Horse and Pony Club received the gold watch award. At the Virden Fat Stock Show and Sale, for the anniversary we had 100 cupcakes, tug o' wars and 100 balloons.

MESSAGE FROM MINISTER OF MANITOBA AGRICULTURE, FOOD AND RURAL INITIATIVES

The past year was an exciting one for the Manitoba 4-H Council. Present and past 4-H members, and leaders celebrated 100 years as one of the country's longest running and most respected rural youth organizations.

Manitoba received recognition at a national level with the Canadian 4-H Council acknowledging Roland, Manitoba as the birth place of 4-H and marking the 100th with a wonderful celebration in the community. 2013 also saw the Manitoba Agricultural Hall of Fame recognize the contributions of 4-H leaders to the lives of youth, through the induction of 4-H Leaders of Manitoba.

I commend the Manitoba 4-H Council for incorporating changes this year in expanding its member eligibility from 6 to 25 years. This will allow the inclusion of more Manitoban youth to have the benefits of the 4-H experience. As a result, the School of Agriculture and the University of Manitoba have formed the first Future Leaders 4-H Club in the province.

The 4-H program in Manitoba prepares youth to become future leaders that contribute to rural communities and the agriculture industry. This is an area my department has a vested interest in and will continue to support. My department continues to assist the council in actively promoting and working with leaders in Aboriginal communities across the province to promote and initiate 4-H Clubs.

I congratulate the Manitoba 4-H Council on its past year of dedicated service to rural Manitoba youth and volunteers. On behalf of the Government of Manitoba and my department, I offer my best wishes to your continued success in 2014.

Ron Kostyshyn
Minister

4-H Day at the Legislature, April 25, 2013

PROCLAMATION OF 4-H MONTH 2012

- WHEREAS** the 4-H program in Manitoba is one of our Province's and Canada's longest running and most respected youth organizations;

- AND WHEREAS** the 4-H program's strength comes in challenging youth to think and make decisions, learn lifelong skills and learn what matters to them, including their family, their community and their nation;
- AND WHEREAS** the 4-H program in Manitoba helps to prepare youth to become future farmers and community leaders, contributing to a strong and healthy agriculture industry;
- AND WHEREAS** in Manitoba, more than 900 volunteers annually lead more than 2,200 youth in leadership and skill development projects and activities in over 160 clubs across Manitoba;
- AND WHEREAS** "Learn to do by doing" is the motto by which the 4-H program promotes the development of leadership and communications skills, agricultural awareness and community service;
- AND WHEREAS** the 4-H program continues to expand its reach to rural youth through the development of 4-H clubs in Aboriginal communities in Manitoba;
- AND WHEREAS** the Government of Manitoba is proud to acknowledge the contributions of rural youth and volunteer adult leaders involved in the 4-H program;
- AND WHEREAS** on November 7, 2012, 4-H members and leaders will kick off "We See Green" in celebration of 4-H month;
- NOW THEREFORE LET IT BE KNOWN THAT I**, Ron Kostyshyn, Minister of Manitoba Agriculture, Food and Rural Initiatives, in the Province of Manitoba, do hereby proclaim the month of November 2012 as;

4-H MONTH IN MANITOBA

Honourable Ron Kostyshyn, Minister of Agriculture, Food and Rural Initiatives signing the 2012 proclamation, with Trevor Carlson, Manitoba 4-H Council President and members of the Elm Creek 4-H Beef Club.

4-H MANITOBA ENDOWMENT FUND FOUNDATION

The Manitoba 4-H Endowment Fund Foundation is responsible for the disbursement of funds and long-term investments on behalf of the 4-H program in Manitoba. Launched in 1985, the Foundation is directed by a Board of Trustees and assisted by a Financial Advisor and an Administrative Assistant.

In November 2012, the Foundation Board consisted of:

- Shaunda Rossington of Beausejour, Chairman
- Dr. Karen Framingham of Winnipeg, Trustee
- Marlene Baskerville of Winnipeg, Trustee
- Ed Thompson, Financial Advisor
- Dawn Krinke, Administrative Assistant

The Manitoba 4-H Endowment Fund Foundation is currently in a state of transition. Manitoba 4-H Council is looking to increase the size and change the current focus of the Board. The new board will move from their current 'trustee' role to a Board that works closely with and assists the Manitoba 4-H Council in securing long-term funding for the 4-H program in Manitoba. The current trustees have agreed to remain in their capacity until the transition has taken place.

Each 4-H Member donates \$1.00 to the Foundation, which is included in the annual \$50.00 membership fee to the Manitoba 4-H Council. Additional 4-H club donations come from a portion of the money received for participating in the annual Highway Clean-up Campaign or other club fundraising activities. In 2012, the Foundation received \$1,048 from 4-H club members and clubs.

At the Annual Meeting a percentage of the Foundation's earnings are calculated to provide Manitoba 4-H Council support to ongoing programs. In 2012, that amounted to \$10,734 towards Council programs.

The Foundation fiscal year is January 1 to December 31. (The Council fiscal year is September 1 to August 31.)

Other sponsorship contributions to the Foundation in 2012 included the following:

Rural Municipalities, Towns and Villages – the RM's of Rosser and Saskatchewan.

Other - the All Charities Campaign, Barbara Melnychuk and In Memoriam donations for Marie Parsons, Mary Sclater and Zen Melnychuk.

Thoughtful Gestures for Special People - Gifts to the Manitoba 4-H Endowment Fund make a difference to Manitoba 4-H youth, now and for the future. Monies received are held in trust. The Manitoba 4-H Endowment Fund Foundation provides opportunities to honour special people:

In Tribute gifts can be made to salute an occasion (birthday, anniversary, graduation, retirement, or volunteer recognition) by recognizing a relative, friend or associate committed to rural Manitoba through agriculture or the 4-H program.

In Memoriam gifts can be made in the memory of a loved one. The family may also indicate a donation to 4-H in lieu of flowers. A Manitoba 4-H Endowment Fund Foundation In Memoriam donation is a fitting means of ensuring that a special commitment is recognized, remembered and honoured.

Wills and Bequests - To support the worthwhile goals of the 4-H program through a bequest to the Manitoba 4-H Endowment Fund Foundation, all it takes is a simple clause in your will: "I direct my Trustee to give to the Manitoba 4-H Endowment Fund Foundation the sum of \$_____ from my estate."

For more information contact the Manitoba 4-H Endowment Fund Foundation, c/o Manitoba 4-H Council.
