

GESTURE GUESS

Designed to get members comfortable with using gestures
and with communicating to a group.

Cut apart the following ideas (and add your own!), place in an envelope, have members pick one and act it out while the other members try to guess the gesture!

Putting on a pair of skis	Describing a car accident
Washing a newborn baby	Building a book case
Playing a game of tennis	Painting a landscape
Changing the oil in a car	Watching a hockey game
Putting on a sweater that is too tight	Looking for a lost contact lens
Learning to use a skate board	Running a marathon
Saddling a horse	Showing a calf
Walking a reluctant big dog	Driving a snowmobile
Preparing a hole for ice fishing	Peeling an apple or potato
Measuring a cup of milk	Cooking pancakes
Brushing your teeth	Walking in deep snow
Blowing up a balloon	Threading a needle
