

Manitoba 4-H Art Challenge

To mark 150 years since Canada's Confederation, we challenged clubs across Manitoba to create a piece of art telling the 4-H story from its agrarian roots to modern day. Our clubs have been working hard on their canvases, and we will soon be sharing them with the public!

We will have Art Challenge Canvases on display to be judged at the following events:

Provincial Exhibition-Summer Fair in Brandon: June 7th to 11th **Completed**

Lundar Fair and Exhibition: June 9th and 10th **Completed**

~~Red River Exhibition just outside Winnipeg: June 16th to 25th **Cancelled**~~

The public will also be able to vote online for their favorite canvas in the week prior to the regional competition that the canvas will be showcased at. We will share the web addresses closer to the time. The top two winners from each regional competition will go on to the Provincial Finals at Ag Ex in Brandon from October 25th to 28th.

Photos of the canvases are due 2 weeks before the regional event that you plan to show your canvas at; please send a high resolution digital file to cnewton@4h.mb.ca, along with the name of the event you plan to show your canvas at. We will post and send out more information regarding where and when the canvases need to be dropped off in the coming weeks.
