Six Junior teams and four Intermediate teams competed for bragging rights as the first Food Challenge Champions. Congratulations to our winners!

4-H Manitoba held four regional competitions this year, and the first and second place winners from each competition were invited to the provincial finals.

At the Provincial level, Junior members were challenged to create the Ultimate Grilled Cheese sandwich; while Intermediate members made a Vegetable Beef Soup that included egg noodles. Both groups also had to use Smak Dab Mustard, created by 4-H Alumnus Red Seal Chef Carly Minish from Swan River.

The teams were judged on their communication skills, teamwork, taste and visual presentation of their dishes by Jim Green from the Manitoba Egg Farmers; Dave Koslowsky, Director with Manitoba Beef Producers; and Ray Walker, the radio voice for the Virden Oil Capitals of the MJHL. Thank you to our judges for giving their time and valuable feedback to all the participants.
