Dear 4-H/Japan Homestay Program Alumni Travellers and Host Families (Current and Past);

Excitement is building as we plan to recognize the 30th anniversary of this program and we are hoping current and former host families and travellers will help celebrate in at least one of the following four events. ****Please note, 2017 host families will be at the Welcome and Sayonara parties, and if you are interested and able to participate in either of the other two options, please indicate that to Dawn.**

If you are interested in these events, please review the dates and times (below) and respond with your **top two** choices and number of participants. Families are invited, although we will have more flexibility to accommodate at the Welcome and Sayonara parties which will be very family friendly/oriented for younger children.

Once responses are in and guest lists confirmed, invitations will then be sent with specific details. (****2017 host families** please note, you will be at the Welcome and Sayonara parties but if you are interested and able to participate in one of the other two options, please indicate that to Dawn.)
