

4-H Manitoba Canada 150 Art Challenge August 2017 Update

Thank you to all the clubs which created canvases for the 4-H Manitoba Art Challenge! We've been to eight events so far and the reception from the public has been great.

There are two Art Challenge events coming up before the Provincial Finals in October: The Pas and Roland! We rescheduled the Regional Competition at Red River Exhibition; it will now take place at the Roland Pumpkin Festival in Roland, MB, the birthplace of 4-H in Canada.

If your club's canvas is finished but hasn't been entered in a competition, this is your chance to show it off. We have blank canvases at the M4HC office if your club still wants to enter a canvas in either competition!
