

Join us on Facebook and Twitter to learn about
PRECISION FEEDING FOR LIVESTOCK

SEPTEMBER 20, 2017 from 9:00 A.M. to 3:00 P.M. EDT

From optimal diets for cows, to optimal feeding for sows, to which berries are best for chickens – we'll be sharing new research and innovations that help contribute to effective farm management.

As part of this event, participate in our
TWEET CHAT on PRECISION FEEDING FOR CATTLE
at 2:00 P.M. EDT
