

DEKALB #FINISHSTRONG COMMUNITY TOP PERFORMER CONTEST

Some of you may be aware that our Dekalb Team is the official sponsor of the NHL Jets 3 stars of the game. At the end of the year, they have a ceremony where they present an award to the top player who received 3-star recognition. The sponsor is typically invited to do the presentation, but we have decided to do something a bit different and share this opportunity with a "community hero!"

So basically, we are looking for your help to promote this contest and maybe suggest some community heroes that you know! We are working many our networks to nominate people in MB and SK who are **coaches/mentors/teachers/leaders** who make a difference in the community. We'll be covering costs for the winner to come to the game and make it an excellent experience. Contest runs from now through March 7th.

You can nominate folks and get more information through the Jets website at this link! <https://www.nhl.com/jets/community/3stars>

By the way, the Community Top Performer who wins doesn't have to have anything to do with hockey. In fact, without violating any contest rules, we'd really love to see it be:

- Someone from outside of Winnipeg
- Someone connected to agriculture
- Maybe even connected to Monsanto or DEKALB
