

**Alberta Aspiring Intermediate Member Camp
July 23 to 28, 2017
Foster Tolton, Kenton Kraftsmen 4-H Club**

On July 23rd very early in the morning (5 am) my Mom and I arrived at the Winnipeg Airport for my 7 o'clock departure. This would be my first trip that I would be travelling on my own, I was so excited! Once at the airport I soon met Courtney our chaperone and Judah the other lucky Manitoba 4-Her who was coming on the trip.

My favorite part of the camp was the banquet and dance! The food was delicious! The dance was so much fun because everyone danced and they all knew how to 2 Step.

I also liked the color war because we played so many fun games such as kick ball.

A new experience for me was playing GAGA Ball which is a well-known Alberta 4H game.

My skill session was OUTDOORS, my favorite part was canoeing to the camp site where we made our own shelters from wood, rope and tarp. I also liked eating the different foods over the fire.

I made so many new friends at this camp and I would definitely recommend to other 4-Hers to go to AIM CAMP!!! The camp staff were all so friendly and full of excitement.

Thank you so much to Courtney Newton and Manitoba 4-H for giving me this unforgettable experience!
