**Press Release**

**FOR IMMEDIATE RELEASE**

**MANITOBA FARM SAFETY PROGRAM WILL PRESENT THE AGRI-SAFETY AWARD AT 'THE SAFETYS' GALA**

**WINNIPEG, MANITOBA - July 30, 2018** - Last September the first annual "The Safetys" awards gala was held in celebration of individuals and businesses who are committed to workplace safety in our province. FSP will again be presenting the Manitoba Agri-Safety Award to a farm or agricultural organization that has made a positive effort toward implementing safety.

The Safetys is a fall event where 8 Manitoba safety organizations present awards to individuals and businesses for their achievements in workplace safety and health:

The Construction Safety Association of Manitoba (CSAM), RPM Trucking Industry Safety, Manitoba Heavy Construction Association Work Safety (MHCA), S2 Safety (Sales and Service Safety Association), Made Safe Manufacturing Safety, The Manitoba Farm Safety Program (FSP), North American Occupational Safety and Health (NAOSH) Awards, and SAFEWork Manitoba will all be presenting awards at The Safetys.

The date for this year's gala has been set for Wednesday, September 26, 2018, at the Victoria Inn Hotel and Convention Centre in Winnipeg. Stay tuned as we will be announcing this year's Agri-Safety Award recipient in the coming weeks. Follow us on [Facebook](#) and [Twitter](#) for this and other news/opportunities.

Last year's event sold out at 360 attendees so this year, the venue size has increased to accommodate up to 500 guests. The cost to attend is \$60 for individual tickets or \$600 for a table of 10. Don't miss this unique opportunity to celebrate Manitobans who are making our workplaces healthier and safer.

Tickets can be purchased at [www.thesafetys.ca](http://www.thesafetys.ca)
