To Whom it May Concern,

Each year in November 4-H'ers from across Canada don their 4-H colours, get out into their communities, post to social media, do acts of kindness, spread awareness about 4-H and share their enthusiasm for everything 4-H. On November 7<sup>th</sup>, "Show Your 4-H Colours" will kick off with National 4-H Day, where all 4-H'ers and our partners across the country will also celebrate the 4-H movement.

On behalf of 4-H Canada, we invite you to light up your building in green (RGB 11/148/68) on November 7<sup>th</sup> for "Show Your 4-H Colours" Day. This is the second year of "Lighting up Green" and we hope to have as many Canadian businesses and landmarks as possible participate.

For over 100 years, 4-H Canada has been one of the most highly respected positive youth development organizations in Canada. 4-H Canada has close to 25,000 members and more than 7,700 volunteer leaders. Our goal is to help young Canadians "Learn To Do By Doing" in a safe, inclusive and fun environment. We believe in nurturing responsible, caring and contributing youth leaders who are committed to positively impacting their communities across Canada and around the world.
