***The Western Hockey League's Wheat Kings will be taking to the ice wearing special 4-H themed jerseys in honour of the 4-H program's legacy.***

The jerseys will be auctioned off throughout the game, with all proceeds going to 4-H Manitoba. These funds will be used to support provincial-level 4-H events and programs designed to foster personal and professional skill development in our young members.

We encourage everyone to attend the Themed Jersey game in support of the Brandon Wheat Kings and join us in celebrating the 4-H program in Manitoba.
