

Thank You

Manitoba 4-H Council sees and hears many examples of 4-H Manitoba leaders bringing hands to larger service and bettering our world, one member and one project at a time.

For many Manitobans, it's at their 4-H club, with the encouragement and guidance of a leader, they first plan and deliver a community event, first earn the title public speaker, first manage a business meeting and first learn that the best way to learn is by doing.

In 2019, more than 689 leaders in more than 129 4-H clubs guide, encourage and inspire approximately 1980 4-H members. Across Manitoba, with the support of leaders, 4-H members and clubs continue to bring the goals of 4-H to life.

In Manitoba, steadfastly enthusiastic 4-H members and alumni often describe a leader who inspired and guided them and to whom they attribute significant credit for their own personal and professional success.

Despite committed personal and demanding professional lives, 4-H leaders continue to invest patient and near countless hours supporting project learning, coaching public speaking, planning events and attending meetings, training opportunities and conferences. The wide scope of leadership ability 4-H leaders bring to their role results in the continued vitality of the 4-H Manitoba program.

The continued strength of the 4-H Manitoba program, the validation provided by thousands of former and current members and the ability of the 4-H program to adapt to evolving technology, expectations and the nature of children and families, is a credit to the 4-H leaders who continue to champion children and youth in 2019.

On behalf of members past and present, the Manitoba 4-H Council Board of Directors and the staff team, THANK YOU!!
