

Recruit for your organization with 4-H Canada's Virtual Career Fair!

We're pleased to extend an invitation to you and your organization's recruiting team to participate in our upcoming [Virtual Career Fair](#) on **October 1, 2019**. Participation is completely **FREE** to 4-H Canada members, partners, and those who previously participated in the 4-H Canada Virtual Career Fair (that's you)!

Our career fair is open to 4-H youth members and recent alumni ages 18 to 25. We are anticipating approximately 100 to 150 youth will be participating over the course of the three hour event.

We often hear from employers that 4-H'ers are highly skilled and sought-after talent, so this is an excellent chance to recruit for summer positions, internships, part-time and full-time entry level jobs!

We would be delighted if you could share this opportunity with your networks. Thank you for your support and please do not hesitate to reach out to Nicole Maclauchlan, Events Coordinator at nmaclauchlan@4-h-canada.ca with questions!
