

WHAT IS A VOLUNTEER PROJECT?

A volunteer project with CJ is an opportunity for youth to make a difference in a community. Choose yours with CJ!

MISSION

To promote the development of young, active and engaged citizens while fostering community development. Through our projects, youth increase their potential and gain new skills while discovering a new region or country.

PARTICIPATING IN A VOLUNTEER PROJECT MEANS CONTRIBUTING TO AN EFFORT THAT RESPONDS TO A REAL NEED IN THE COMMUNITY.
