Community Engagement & Communication

Our Heritage Tell Me a Story

We want you to tell us who your hero is and why.

Your hero could be someone from your family, community or someone you strive to be like.

Share in story format or point form. Feel free to write it out by hand!

Please send a copy of your story, and your name and club, to learns@4h.mb.ca.

(we may share some of the stories on our website and social media)

(Activity from 4-H Ontario)
