Where Are You From?

For this activity you will need to figure out where your ancestors came from and locate that on a map.

Colour the countries where your ancestors came from.

You may use the blank map, in the link below or one that you find online. There is also a coloured/labelled map for your reference.

Please send a copy of your coloured map and include your name and club, to learns@4h.mb.ca.

(we hope to collate the information we receive and share it on our website and social media)
