Exploring Gardening

The Exploring Gardening project manual has many different activities for you to do at home.

Please click on the links below the poster to find the instructions.

Also, below the poster is the link to the complete project manual.

Agriculture For Life released their first Learning Lab on Sustainability - <https://www.agricultureforlife.ca/learning-labs>. Open the lab door to interesting activities for 4-Hers of all ages and project areas.

Please take a picture of your finished projects and send to learns@4h.mb.ca.
