## Science & Technology

### Science in the Kitchen

Below you will find the link to the Crystallization experiment from our Science in the Kitchen project manual. All you need for the experiment is a drinking glass, water and salt. Have fun!

### Getting the Most Out of Your 4-H Calf

Dr. Roy Lewis and Heather Davis of MERCK Animal Health have put together an hour long webinar for you to learn some efficient and effective ways to get the most out of your 4-H Calves. There will be an opportunity for questions after the presentation. The webinar will take place Wednesday, May 13th at 7:00 p.m. through Zoom. Please see the meeting information below. If you have any questions, contact Shannon, [scarvey@4h.mb.ca](mailto:scarvey@4h.mb.ca).

### Picture of the Week

We are looking for pictures of Science Experiments you have done at home. Send them along to [learns@4h.mb.ca](mailto:learns@4h.mb.ca) and we will share them on our Social Media platforms. Your picture may be featured on 4-H Canada's Social Media platforms as well.
