

4-H Ninja Ideas

Here are some ways you may be able to say thank you, you are appreciated or just to brighten the day.

You can put together a basket full of soda with a few snacks or treats. Add the tag or note "Soda-lighted YOU'RE OUR Neighbour or Leader!"

How about a can of A&W Rootbeer with a note attached "You are A&Wesome!!"

If you would prefer to fill a jar with treats, you could add a note "A Little Something to Brighten Your Day!"

Perhaps you could wrap up a bottle of hand soap or hand sanitizer with a note that states "Thank you for your Helping Hands!"

If you are not able to put together a basket or provide a treat, you could write a note on the sidewalk in front of their house or on their driveway.
