How do you scrub your calf? This video will give you some direction on the best ways to clean your calf and get him ready for the show. Look below for video link.

Share your Communications Speech/Presentation

Communications is a very exciting and important part of our 4-H year. This year, most Area Communications Events and the Provincial Communications Extravaganza were cancelled because of COVID-19.

So, everyone who is eager to present their speech one more time, please do so! Tape it and send it to Manitoba 4-H Council!

If you did a one or two-person visual, tape a portion or your entire presentation. In the case of two-person visuals, record separate segments and send them to us.

Send all submissions to learns@4h.mb.ca

(we hope to collate the information we receive and share it on our website and social media)
