Intermediate, Senior & Adult Activities for Home

Science & Technology

Exploding Lunch Bag

Baking soda and vinegar chemical reactions are fascinating, engaging and easy for everyone to enjoy! This is a great outdoor experiment as it gets quite messy. See below for instructions.

Equine - Ground Tying Challenge

Archie 4-H Light Horse & Pony Club has provided a challenge for equine members to take part in. Below you will find the instruction video and a video submitted by one of their members showing how to perform the challenge. Please share your videos with us at learns@4h.mb.ca

Physical Outreach Initiative Kits

4-H Canada is providing the Steeped in Soil & Find Your 4-H Wings activities, for youth & families, on the 4-H Store at no cost. Please see link below.

Picture of the Week

We are looking for pictures of Science Experiments you have done at home. Send them along to learns@4h.mb.ca and we will share them on our Social Media platforms.
