## Science & Technology

### Melting Ice Science Experiment

Melting ice with salt and then adding liquid watercolors is a simple kids' science experiment . See below for instructions.

### Equine - Ground Tying Challenge

Archie 4-H Light Horse & Pony Club has provided a challenge for equine members to take part in. Below you will find the instruction video and a video submitted by one of their members showing how to perform the challenge. Please share your videos with us at [learns@4h.mb.ca](mailto:learns@4h.mb.ca)

### Physical Outreach Initiative Kits

4-H Canada is providing the Steeped in Soil & Find Your 4-H Wings activities, for youth & families, on the 4-H Store at no cost. Please see link below.

### Picture of the Week

We are looking for pictures of Science Experiments you have done at home. Send them along to [learns@4h.mb.ca](mailto:learns@4h.mb.ca) and we will share them on our Social Media platforms.
