FOR YOUR
LOCAL 4H!

To our customers,

Out of concern for the health and safety of our customers and staff, our annual 4-H Days celebrations have been altered this year. With the Covid-19 pandemic, charitable and non-profit organizations are facing volunteer and funding shortages as well as the inability to host vital public events. Therefore, while continuing to focus our efforts on keeping everyone safe, we still wanted to offer you the opportunity to contribute to your local 4-H clubs if you wish.

We recognize a good portion of our customers have, on some level, a historic or current affiliation to 4-H in this province. Even if you don't, you likely have a solid appreciation for 4-H and its youth programs. We also recognize that a lot of you look forward to making a donation to your local 4-H clubs each year during our 4-H Days celebrations. If so, please take a paper clover with you to the till and your cashier will process your donation on checkout. This year we ask that you take your clover with you to display at home.

Thank you!
