

MAKE STRING HEART YARN CARDS

Materials Needed:

- colorful yarn
- thick card stock cut out to the size you want
- large threading needle
- pencil, eraser, scissors
- heart template (we used a cookie cutter)

Instructions:

Step 1. Trace your heart template onto the cards with a pencil.

Step 2. Punch holes alongside the heart with your needle. Erase your pencil marks.

Step 3. Thread yarn through the holes in various directions. Cut off the yarn on the underside and tie up. You are done.
