

ECO-FRIENDLY TIPS STRAIGHT FROM THE SOURCE

Our **4R Waste Ambassadors** are trained and eager to assist the community in combating excessive waste and pollution. Whether your organization is looking to find new ways to recycle or simply wondering how to lessen your carbon footprint, an Ambassador can provide you with information and tips!

Education topics and services include:

-  Proper waste disposal
-  Recycling hints and how-tos
-  Responsible end-of-life product care
-  Where to take your waste
-  Why waste diversion is so important
-  Promote recycling at your event
