Let's Create an Acrostic Poem

The first letter of each line is uppercase and forms a word. The word is the subject of the poem.

Let's use the word **WINTER**.

Please see the example below.

Let's Create a Lune Poem

A Lune is made up of 3 lines and uses 11 words in all. The first line has 3 words, the second has 5 and the last has 3 again.

Please see the example below.

Let's Create a Colour Poem

There are 2 types of colour poems. The first type describes a colour & uses that word at the beginning of each line. The second type uses the 5 senses to describe a colour. You can choose your favorite colour, least favorite colour or a colour that represents a certain mood.

Please see the example below.
