Cloverbud & Junior Activities for Home

Science & Technology

Frozen Bubble Science

All you need for this activity is bubbles! Pair that with the right weather conditions, and you are sure to be amazed!
Please see link below.

Snow Volcano Experiment

Do you love to play in the snow? If so, you will love this easy winter experiment!
Please see link below.

Please take a picture of your finished projects and send to learns@4h.mb.ca so we can share your successes.
