4-H International Art Exchange

Canada

Poland

United States

The 4-H International Art Exchange is a three-part exchange between Canada - Poland - United States where members prepare a painting or drawing which shows some aspect of their life. These 'visual letters' are collected and divided into packages which are mailed to the other two countries and packages of artwork from the other two countries are also sent to Canada.

Benefits for Members

1. Learn of the many similarities between their lives and the lives of their peers in other countries.
2. Gain a sense of being part of one world, whether they live in Canada, United States or Poland.
3. A significant learning experience including language, social studies, natural science and the arts.
4. Develop awareness, understanding and appreciation of other cultures which will last a lifetime.
5. Share their country's culture through the "visual letters" created.
6. Learn about art and how to share its meaning.
7. Learn to communicate visually through art.

All 4-H members are welcome to take part! This could be a fun activity for your whole club or a few interested members.

Please see the Art Challenge Rules for Participation information.
