The 3rd Annual Youth Pumpkin Growing Contest ended with a great afternoon celebration. Fifty-three 4-H members and friends from southwestern Manitoba grew the seeds provided. Contestants and families celebrated weigh-in day on October 15, 2023 to weigh pumpkins and have some fun launching potatoes and pumpkins with a slingshot.

Congratulations to Tori Allen on winning the $100 cash prize with a 36.5-pound pumpkin! Honourable mention to Bingham Boyd at 35.5 pounds. Jordyn Phillips brought our smallest pumpkin, weighing in at only 1.16 pounds.

Thank you to Heritage Co-op for sponsoring snacks and drinks. Watch for your chance to enter this contest in 2024!

Participants in the Alexander 4-H Club's Pumpkin Growing Contest show off their pumpkins on weigh-in day, October 15, 2023.
