

Agriculture & Food Industry Tours

A session for career and workforce influencers

Register today for an action packed event highlighting agricultural and food industry workplaces. The day will centre around connecting with professionals on farms, research centers, and food processing facilities to strengthen ties to Manitoba's agriculture and food industry.

This **BRANDON AREA** professional development tour is for careers teachers, secondary teachers, job placement coaches, co-op program coordinators, immigrant settlement officers working with newcomers looking for jobs, the Rural Immigration Workforce Initiative, Manitoba Employment Centre staff, staff from youth organizations and any others who influence job and career choices for youth and adults.

Produce – Innovate – Process – Market – Eat – Connect – There is a place for everyone!

Includes tours of these industry locations:

- Koch Fertilizer Canada ULC
- Assiniboine Community College – North Hill Campus
- Saputo Dairy Products Canada
- Beef Cattle Farm Tour – Signe De'Athe
- Manitoba Ag Days – an exposition of agricultural production expertise, technology, and equipment

Hear speakers from these organizations:

- Agriculture in the Classroom-Manitoba
