### 🍀 Calling All Intermediate/Senior 4-H Beef Members 🍀

Get hands-on experience and build essential skills that will set you on the path to becoming a top-notch 4-H Beef member. From conception to calving, this workshop is tailored to your age group, ensuring a fun and educational experience. 🐮🌿

#### 👩👦 Building Skills:

Discover the fascinating world of raising beef cattle. Learn all about the different stages of a cow's life, from conception to calving, and gain valuable hands-on experience. Our engaging activities are designed to cater to your age group, making the learning process both enjoyable and enlightening.

Join us on this exciting journey as we equip you with the knowledge and tools to become a successful and accomplished member of the 4-H Beef community.

#### 👯 Friendships Flourish:

At Rally, it's more than just refining your skills; it's about fostering enduring friendships. Engage with fellow 4-H Beef members who have the same love for agriculture as you do. As you spend time together working on your projects, sharing tips, and supporting each other through challenges, you'll not only grow as a beef enthusiast but also as a friend. These bonds formed over a shared passion for agriculture have the potential to last a lifetime, connecting you to a network of like-minded individuals who will cheer you on in both your successes and your setbacks.

M4HC is offering the Beef Production workshop for our Intermediate/Senior Beef members. You will learn about proper nutrition, different feed options and the calving process.

The day will start at 9:00 a.m. and conclude around 6:00 p.m.

More information will be provided once registration closes.
