### ☀️ Get Ready for a Day of Fun and Learning at Rally 2024! ☀️

Calling all Multi-purpose/Small Animal enthusiasts! Rally 2024 is just around the corner, and we've got an exciting lineup of workshops, crafts, science experiments, tie-dye, and so much more waiting for you. Join us for a day packed with adventure and camaraderie! 🐰🐔

#### 🤝 Friendships Flourish:

Connect with fellow Multi-purpose/Small Animal members who share your passion for all things furry, feathery, and crafty. Rally is the perfect place to forge new friendships and strengthen existing bonds. Share stories, swap tips, and create memories that will last a lifetime.

#### 🌈 Diverse Workshops for All Ages:

Embark on a journey into the fascinating world of rabbits, chickens, and dog training with hands-on workshops tailored to different age groups. Learn the ins and outs of caring for these wonderful animals. You could also try your hand at roping or goat tying.

#### 🎨 Crafts, Science, Tie-Dye, and More:

Unleash your creativity with a variety of workshops! Dive into exciting crafts, conduct fascinating science experiments, and express your unique style with tie-dye creations. The possibilities are endless, and you'll leave Rally with not only new knowledge about your favorite small animals but also a bag full of personalized crafts!

M4HC is offering 17 workshops of different interests for you to choose from. You need to pick your top 3 workshops and you will participate in 2 of them. One in the morning & one in the afternoon. The day will start at 9:00 a.m. and conclude around 6:00 p.m.

More information will be provided once registration closes.

**Registration Fee - \$25.00 per member
