The 2025 4-H Manitoba Provincial Communications Extravaganza, presented by Bayer CropScience Canada, was a resounding success! Held on April 26 at Canad Inns Fort Garry in Winnipeg, the event brought together talented 4-H members aged 6 to 25 from across the province to showcase their public speaking and visual presentation skills. Thanks to Bayer's generous support, the day was a true celebration of confidence, creativity, and leadership—key pillars of the 4-H experience. Congratulations to all participants for their hard work and inspiring performances!

These members had risen to the top through a series of competitions from club level to area levels across the province.

Members competed in the following categories:

- Cloverbud, Junior, Intermediate, Senior and Adult Speeches
- Cloverbud, Junior, Intermediate, Senior and Adult One-Person Visual Presentations
- Cloverbud, Junior, Intermediate and Adult Two-Person Visual Presentations

An awards presentation followed each competition session.
