Keystone Centre, Brandon

Join Us at Rally 2026 for a Unique Learning Experience!

Exciting Opportunities for Intermediate & Senior Beef Members

Intermediate and Senior 4-H Beef members, ages 12–17 as of January 1, 2026, are invited to take part in a full day of hands-on learning focused on the stages of a cow's life—from conception through calving. Explore topics like nutrition, feed options, and the calving process through interactive activities designed specifically for your age group. This experience will help strengthen your knowledge and skills as you grow within the 4-H Beef community.

Multi-Purpose Workshops

Looking to broaden your skills? Intermediate and Senior members can dive into a wide variety of hands-on sessions, including archery, cattle roping, gardening, woodworking, and more. You'll also have the chance to participate in the always-popular, age-tailored workshop: Driving a Team of Horses—a highlight for many Beef members each year!

Join the Fun!

Show your club pride in the Club Parade, and get ready to bring your energy to the always-popular Tug-of-War competitions!

Build Skills & Lasting Connections

Rally is about more than learning—it's also about connecting with others who share your passion for agriculture. Meet fellow Beef members, make new friends, and build relationships that will support you throughout your 4-H journey and beyond.

Event Details:

Workshops will start at 10:00 a.m. and conclude around 5:30 p.m.

More information will be provided once registration closes.

Registration Information

Fee: \$25.00 per member

Family Rate: \$65.00 for three or more members

Bring a Buddy: Invite a friend who's not currently in 4-H but curious to check it out!

Their registration fee is \$25.00 (family rate does not apply).

Buddies must be 5 years of age or older to participate.
